

20 January 2016

Dear Parent/Guardian

One of our key values at One In A Million is preparing students for life beyond school. As you may know if you have met me this week, I think this is extremely important. Being punctual and prepared for learning are a significant part of this.

Students having the correct equipment for school is as important as wearing the correct uniform or remembering their lunch money or bus pass.

We want our students to take responsibility for their own equipment, look after it, and therefore have the resources for and attitude of being ready to learn when they arrive at school.

In view of this, from Monday we will be reinforcing the school equipment policy.

Students must have the following items with them every day (as a minimum).

- 2 pens (either black or blue)
- 1 pen (red)
- 1 pencil
- 1 rubber
- 1 ruler

There will be a zero tolerance policy and behaviour reviews will be issued if students do not arrive at lessons with the correct equipment.

Thank you for your continued support.

Yours faithfully

Philip Grant
Principal
