Eid Celebration – June 2017

Dear Parents/Carers

As you will be aware, next week (25/26th June) Muslims will be celebrating Eid. We wish our Muslim students and colleagues a happy Eid.

This clearly has a significant impact for us as it means that 65% of our students will not be in school, as well as some of our staff.

As we have done in previous years, the intention is for us to remain open for any students NOT celebrating Eid. We will not offer the normal curriculum, as it would be disruptive when all students return. Instead we will plan an alternative curriculum and students will have some choice of the activities they do.

School will finish as normal on Monday 26th June at 3.05 pm. We expect all students to be back in school on Tuesday 27th June.

It is important to plan the curriculum well and to plan for catering so we need to have the exact numbers of students who will be attending during the Eid celebrations. With that in mind can you please fill in the form below.

Yours sincerely
