Dear colleague

A small selection of students are working together to create a 'pop up business'. This is to develop and encourage their natural inclination to be entrepreneurial.

Their challenge is by the next academic year to cook for the whole school. In order to achieve this, the students are planning to present an evening meal, dinner for their parents and teachers. The students have created the menu, organised themselves into project teams and plan to make a small profit from money they have been given to fund this activity.

The students have asked if they can wear a uniform (white shirt and trousers) so they can feel really professional. We will also be arranging a short trip to the Midland Hotel in the coming weeks.

The final event will be on the 5th April at 5.00 pm. The delicious menu is attached and an order form with the costs is also included.

I sincerely hope that you can support our students in this excellent activity and look forward to seeing you on the evening.

Yours faithfully
