

18th July 2017

Dear Parents/Carers

As we approach the end of this academic year it is good to reflect on what has been achieved in such a short time, and I for one am extremely proud of the great strides in progress we have made together, students, parents and colleagues.

There are a number of items I would like to bring your attention to:-

Parent Forum

We have recently once again held a Parent Forum Meeting, at which the following items were raised:-

- Parent Questionnaire
- Parental Engagement
- Student Planners
- Coffee Mornings
- Prom/Awards Ceremony

I have asked my team to start looking at these issues and will update you on them at the next Parent Forum meeting, which will be held on Tuesday 19th September 2017 commencing at 6.00 pm. Can I remind you that this is an open meeting and all parents and carers who have a child at the school are welcome to attend.

Communication

There has been a great deal of positive change and to improve communication on the attached document I have included a list of all members of staff, their titles and their email addresses. As a school we have made the pledge that if you contact us, we will respond within 24 hours. It is important to me that you feel that you can contact any members of my team, and myself directly, and expect a speedy acknowledgment.

Staff Changes

There may be some names you are unfamiliar with on the list of contacts, some of these are additional posts created as the school grows, and others are to replace existing colleagues who are leaving. We are saying goodbye to a number of our teaching team, Mr Dunn, Mr Karim, Mr Williams, Mrs Sweeting and Mrs Verity, one of our TLA's. I am sure you will join us in wishing them success in their new ventures. This list will be re-circulated when the current vacancies are filled, please see the website for details.

Term Dates

Also attached is our latest list of term dates and a copy of the school's Strategic Calendar. This document sets out important dates for all areas within school, assemblies, TLC's, exam weeks etc and should be a source of useful information for you. Again, it is important to me that you feel you receive full and comprehensive data about what is happening in school.

Equipment

Listed below is a reminder for you and your child of what equipment we expect them to have with them when we return to school in September, please note that some items have been added to the mandatory list of items required. All students of course will be in their new school uniform too, I am very much looking forward to seeing them!

Clear Water Bottle	Padlock	Glue Stick
1 rubber	Headphones (small in-ear type)	Clear Pencil Case
2 pens (either black or blue)	Pencil sharpener	1 Pencil
1 pen (red)	Apron for food tech	1 ruler
Scientific Calculator - Casio fx-83GT Plus or Casio fx-85		

Finally, I would like to once again thank you for your continued support, valued feedback and your children's hard work and enthusiasm. We have made significant and speedy progress, which without your help would not be possible.

I hope you all have a restful and enjoyable summer break.

Yours faithfully

Philip Grant
Principal
