Dear Parents/Carers

Developing the whole child is pivotal to everyone at One In A Million. To further accommodate this we are making changes to ensure students achieve the best results.

At the request of parents and students, we want to enhance our enrichment and intervention program for all students and support further our GCSE students. Therefore we are making some small changes to the school day, this will include a gradual increase in hours for Key Stage 4 students.

These changes are detailed overleaf and will take effect when we return to school in September after the summer break, so starting on 3rd September for Year 7 and Years 8,9,10 and 11 from 4th September. There are slightly different times for different year groups so please ensure you read this letter fully.

Attendance

It is important that your child is in school and any holiday requests for time away from school during term time will not be authorised. You are also reminded that any appointments for doctors or dentists etc must, where possible, be made for outside school hours. Proof must be produced for any appointments whenever a student has to leave school during the school day.

Behaviour Reviews

With immediate effect there will be no exceptions to the behavior review process. If students are required to stay after school they will remain in school until the behavior review is completed. We appreciate that this may cause some inconvenience but request that you work with us and support us with this matter. If you have an issue with a behavior review you are requested to speak to the head of year the following day.
