Dear Parents/Carers

**Jewellery**

Recently there has been a significant rise in the amount of jewellery being worn around school, by both boys and girls.

To confirm - **the only jewellery allowed**, is a plain watch, a plain unbranded belt and one small plain ear stud in each ear.

Checks will be conducted at the start of the school day and any other items worn or brought into school will be confiscated and held until the end of the day. We cannot guarantee the security of any items confiscated and so if students chose to bring items in or wear them it is at their own risk.

Prohibited items include but are not exclusive to; additional earrings or earrings that are not plain studs, branded belts, any belts with large buckles, bangles and bracelets, necklaces, chains, nose piercings, anklets and rings.

**Nails**

Can we confirm that NO false nails, nail extensions or nail varnish is allowable. From Monday, any student that has nail art that cannot be simply removed with nail varnish pads (which we have in school), or has nail extensions will be sent home to have them removed/corrected.

Over the weekend any students who are currently not following the uniform rules must rectify this.

**Earphones**

Earphones may not be used at any time other than lesson time where directed to do so by their teachers.

We have spoken to all students today to make them aware of our expectations and clarify the uniform rules and the consequences of them not adhering to them.

Can you please ensure your child attends school on Monday meeting our uniform expectations.

Thank you for your continued support.
